Now Open!

The Factoria Transfer Station's Hazardous Waste Collection

King County Solid Waste Division, in cooperation with the Local Hazardous Waste Management Program in King County, is now offering a pilot project to collect household hazardous waste at the Factoria Transfer Station. This facility collects the same materials collected by the popular Household Hazardous Wastemobile. Kirkland area residents no longer need to wait for the Wastemobile to return to the City area. The site is open Thursday - Sunday from 9am to 5pm, except on Holidays (these hours may be adjusted based on participation). The total volume of waste per customer may not exceed 30 gallons and containers larger than 5 gallons in size will not be accepted. If you have more than 30 gallons of waste at any one time, please call the Hazards Line at (206) 296-4692 to find out about other disposal options or visit: www.govlink.org/hazwaste/.
